

MarinMOCA creates transformational experiences through the visual arts. We offer exceptional contemporary art exhibitions that showcase local, national and internationally-known artists. We champion artists and their artistic development and offer education programs to art-lovers of all ages.

Over 30% of our income comes from individual donations, memberships and sponsorships.

Diversified sources of income and giving ensure that MarinMOCA can offer a broad array of impactful programs.

of Your Giving**

Our 2019 Achievements

Transformative Exhibitions

In 2019 MarinMOCA produced 16 exhibitions and published two major exhibit catalogs. Over 500 artists, from emerging to established, exhibited in our three galleries and sculpture courtyard.

- We continued our Bay Area Legend series with a solo exhibition for Viola Frey, in partnership with the Artists' Legacy Foundation. Frey was well-known for her monumental ceramic figurative sculpture and was a professor at the California College of Arts and Crafts (Now California College for the Arts.)
- Our visitors enjoyed two national juried exhibitions with provocative work which explored relevant themes.
- Our Millennial Artist focus in the galleries featured a stunning exhibit of contemporary mosaic artwork from the Scuola Mosaicisti del Friuli in Italy. The "50 FACES" exhibit showcased the work of young mosaic artists who redefine the ancient tradition of mosaic art with innovative methods and materials.
- MarinMOCA member artists participated in two member exhibits. They were also invited to enter our juried Members' Showcase displays which are being presented four times a year in the Second Floor Gallery.

Art Education For All Ages

- Over 1,000 4th and 5th grade students participated in our expanded Novato Public School Art Enrichment program. MarinMOCA professional instructors taught art classes in the schools, followed by docent-led field trips to the Museum where students sketched in the galleries, met artists in their studios, and completed a hands-on art project.
- We launched our Free Family Day program where parents with children enjoy hands-on art activities at the museum on the first Sunday of every month. Our professional art teachers customize the projects to be age-appropriate and families can take a docent tour led by our family specialist.
- MarinMOCA classes, workshops and art lectures enriched more than 1,400 adults and students. The class offerings range from traditional techniques to mixed media, textiles and ceramics.

Community Engagement

- Completed a mural collaboration with the Canal Alliance in San Rafael, highlighting the power of education.
- Presented the Hungry Ghost exhibit with artwork created by Asian American women, demonstrating the healing power of art.

We are thankful to you, our members and individual donors, who gave so generously in 2019.

Gifts Of Time

In 2019 the Artists of MarinMOCA volunteered 3,000 hours in support of our exhibitions and education programs. This organization runs on volunteer-power, and we are very grateful for our loyal volunteer community.

Partner Development

- We received education grants from California Arts Council, Marin Community Foundation, School Fuel, Kadima, Fenwick, Ultragenyx, and Rotary.
- We strengthened our financial future with grants from Herbst, OraMax and Bank of Marin.
- New corporate memberships and sponsorships with Carson Wealth, Bank of Marin, and Dimensions In Travel helped fund our programs and exhibitions.
- Our collaborative partnership with the Italian Film Festival increased the number of visitors to the Museum.
